Spring 2003 ALC Action Items

Command Action Item #	Action Item	Status
2003-111	Investigate the feasibility of raising the SPR review threshold from $10K. OPR: DSCR-O, Mary Kay Cyrus	13 June 2003
2003-112	Coordinate with major service commands to determine how SPR's will be identified to applicable weapons system forecast (i.e. project code or other coding). From this, WSSM's can coordinate with SSM/SPD to determine if the forecast is for depot only or depot and operational. This coding will be included in SPR buy back statistics. OPR: DSCR-L, Col Flores, Capt Scott, LTC Pace	13 June 2003
